### Lavandula stoechas With Love

Breeder: Plant Growers Australia  
Protection status: EU PVR granted EU27582  
Australia: PVR application number 2005/085  
The breeder's rights are asserted.

#### Characteristics:

Lavandula With Love is the best pink flowered stoechas variety currently available. A compact and bushy hybrid with fat heads of warm pink flowers with paler bracts, With Love flowers continuously and repeatedly over a long period. It also produces flowering plants in 2 to 3 weeks **\*less\*** than competing varieties, representing a considerable cost saving to growers.

Hardiness: not as hardy as some stoechas varieties – has survived to -5 Celsius when given good drainage.

Bloom: dark pink, fat heads of flower with long pink bracts. The flowers are held close above the foliage over a long season with repeat bloom.

Foliage: typical grey-green aromatic leaves.

Habit: neat, compact and bushy. 50cm high.

Propagation: cuttings. **Note: a licence is required for propagation.**

Culture: full sun, any good well-drained soil. Flowering plants can be produced in 2 to 3 weeks less than other varieties.  
**Known issue:** With Love is sensitive to botrytis. Ensure good ventilation and preventative treatments.

#### Additional information:

This variety is ideal for the gift market – the name With Love makes it perfect for any gift occasion.

Executive Director: Graham Spencer DipM MCIM  
Registered at Cardiff, number 4664540  
Registered office: 74-76 Aldwick Road, Bognor Regis, West Sussex, England PO21 2PE  
All correspondence should be sent to the address at the head of this page.

Above: individual flower head.

Right: young plant in full flower. Note the bushy habit and plenty of flowers.

## Lavandula stoechas With Love

Licence required for propagation.

Contact Plants For Europe Limited for details.

Note: the inclusion of any plant in PFE's portfolio listing is not an offer for sale of that plant, and is merely intended to create interest in licences for propagation. In every case, the breeder's rights are preserved, and the breeder retains all rights in the intellectual property in that plant.
