

Azalea japonica **Walberton's®** **Ruffles**

VERY LARGE DOUBLE FLOWERS

Origin: bred in the UK

Protection status:

EU and UK PVR granted

EU and UK trademarked

Variety names:

Rhododendron WALMAUVRUF

Rhododendron WALPINRUF

Rhododendron WALSNOWRUF

Benefits of these varieties:

- Amazing Japanese Azalea series with huge double flowers.
- Flowers typically 6cm to 7cm diameter.
- Neat low domed habit, good dark foliage.
- Totally hardy—bred only from Japanese Azaleas without using Azalea indica.
- Great for border or for containers.

Characteristics:

- Walberton's® Mauve Ruffles (this page)
- Walberton's® Pink Ruffles (next page)
- Walberton's® Snowy Ruffles (next page)
