

Cirsium rivulare

Frosted Magic

STUNNING WHITE VARIETY

Origin: bred in the UK

Protection status:

EU and UK PVR granted

Variety name: Cirsium rivulare LOWCIR

Benefits of this variety:

- Fantastic new white variety of this popular thistle.
- Great companion for Cirsium rivulare Atropurpureum.
- Sturdy, easy to grow perennial.
- Long flowering season in summer.
- Great for garden or landscape—suits “prairie-style” planting.
- Launched at Chelsea Flower Show 2016—**shortlisted for Plant of the Year.**

Characteristics:

- Upright habit, 120cm. Tends to be shorter in first year.
- White flowers in summer.
- Typical thistle leaf.
- Propagation by tissue culture or basal cuttings.
